1. Introduction to Proposers

This Request for Proposal (RFP) is to receive proposals from qualified firms to provide Grant Administration and Management Services also known as pre-award and post-award grant services for Hazard Mitigation Assistance (HMA) contract(s), if awarded, from the Texas Division of Emergency Management (TDEM) and/or Texas Water Development Board (TWDB). HMA includes FEMA Hazard Mitigation Grant Program (HMGP), Building Resilient Infrastructure and Communities Grant Program (BRIC) and Flood Mitigation Assistance Grant Program (FMA).

Drainage District No. 6 is considering applying for such funding to support eligible mitigation projects under the following programs:

- Hazard Mitigation Grant Program (HMGP)
- Building Resilient Infrastructure and Communities Grant Program (BRIC)
- Flood Mitigation Assistance Grant Program (FMA)

Proposers must submit a proposal that includes each individual funding program for which they would like to compete for an awarded contract. Multiple contracts may be awarded as a result of this solicitation.

The following items are provided as general information and specifications as required by Jefferson County Drainage District No. 6.

1.1 Proposer Instructions

Read the document carefully. Follow all instructions. You are responsible for fulfilling all requirements and specifications. Be sure you have a clear understanding of the proposal.

General Requirements apply to all advertised requests for proposals; however, these may be superseded, whole or in part, by the Scope of Services, Guidelines and Specifications, Requested Responses and Information, or other data contained herein. Be sure your proposal package is complete.

1.2 Governing Law

Proposer is advised that these requirements shall be fully governed by the laws of the State of Texas and that Jefferson County Drainage District No. 6 may request and rely on advice, decisions, and opinions of the Attorney General of Texas and the District's Attorney concerning any portion of these requirements.

1.3 Ambiguity, Conflict, or other errors in the RFP

If Proposer discovers any ambiguity, conflict, discrepancy, omission or other error in the RFP, Proposer shall immediately notify the District of such error in writing and request modification or clarification of the document. Modifications will be made by issuing Addenda. Written notice will be given to all parties who have been furnished with the RFP without divulging the source of the request for the same. If the Proposer fails to notify the District prior to the date and time fixed for submission of proposals of an error or ambiguity in the RFP known to Proposer, or an error or ambiguity that reasonably should have been known to Proposer, then Proposer shall not be entitled to compensation or additional time by reason of the error or ambiguity or its later resolution. The District may also modify the RFP, no later than 48 hours prior to the date and time fixed for submission of proposals, by issuance of an Addendum to all parties who have received the RFP. All addenda will be numbered consecutively, beginning with 1.

1.4 Proposal Preparation Cost

Cost for developing proposals is entirely the responsibility of Proposers and shall not be charged to the District.

1.5 Signature of Proposal

A transmittal letter, which shall be considered an integral part of the proposal, shall be signed by an individual who is authorized to bind the Proposer contractually. If the Proposer is a corporation, the legal name of the corporation shall be provided together with the signature of the officer or officers authorized to sign on behalf of the corporation.

If the Proposer is a partnership, the true name of the firm shall be provided with the signature of the partner or partners authorized to sign.

If the Proposer is an individual, that individual shall sign. If signature is by an agent, other than an officer of a corporation or a member of a partnership, a power of attorney or equivalent document must be submitted to the District prior to the submission of the proposal or with the proposal.

1.6 Economy of Presentation

Proposals shall not contain promotional or display materials, except as they may directly answer in whole or in part questions contained in the RFP. Such exhibits shall be clearly marked with the applicable reference number of the question in the RFP. Proposals must address the technical requirements as specified in the RFP. All questions posed by the RFP must be answered concisely and clearly. Proposals that do not address each criterion may be rejected and not considered.

1.7 Proposal Obligation

The contents of the proposal and any clarification thereof submitted by the selected Proposer shall become part of the contractual obligation and incorporated by reference into the ensuing contract.

1.8 Incorporation by Reference and Precedence

This Agreement is derived from (1) the RFP, written clarifications to the RFP and the District's response to questions; (2) the Proposer's Best and Final Offer if requested, and (3) the Proposer's response to the RFP.

In the event of a dispute under this Agreement, applicable documents will be referred to for the purpose of clarification or for additional detail in the following order of precedence: (1) Amendments to the Agreement in reverse chronological order; (2) the Agreement, including the Scope of Work; (3) the Proposer's Best and Final Offer if requested; (4) the RFP, including attachments thereto and written responses to questions and written clarifications; and (5) the Proposers response to the RFP.

1.9 Governing Forms

In the event of any conflict between the terms and provisions of these requirements and the specifications, the specifications shall govern. In the event of any conflict of interpretation of any part of this overall document, The District's interpretation shall govern.

1.10 Implied Requirements

Products and services not specifically mentioned in the RFP, but which are necessary to provide the functional capabilities described by the Proposer, shall be included in the proposal.

1.11 Compliance with RFP Specifications

It is intended that this RFP describe the requirements and the response format in sufficient detail to secure comparable proposals. Failure to comply with all provisions of the RFP may result in disqualification.

1.12 Evaluation

The District reserves the right to use all pertinent information (also learned from sources other than disclosed in the RFP process) that might affect the District's judgment as to the appropriateness of an award to the best evaluated Proposer. This information may be appended to the proposal evaluation process results. Information on a service provider from reliable sources, and not within the service provider's proposal, may also be noted and made part of the evaluation file. The District shall have sole responsibility for determining a reliable source. The District reserves the right to conduct written and/or oral discussions/interviews after the proposal opening. The purpose of such discussions/interviews is to provide clarification and/or additional information to make an award which is in the best interest of the District.

1.13 Withdrawal of Proposal

The Proposer may withdraw its proposal by submitting a written request over the signature of an authorized individual, as described in paragraph 1.6, to the District Purchasing Department any time prior to the submission deadline. The Proposer may thereafter submit a new proposal prior to the deadline. Modification or withdrawal of the proposal in any manner, oral or written, will not be considered if submitted after the deadline.

1.14 Award

The District reserves the right to award this contract on the basis of the **Best Offer** in accordance with the laws of Texas, to waive any formality or irregularity, to make award to more than one Proposer, and/or to reject any or all proposals. In the event the highest dollar Proposer meeting specifications is not awarded a contract, the Proposer may appear before The District's Board of Director's and present evidence concerning his responsibility.

1.15 Ownership of Proposal

All proposals become the property of the District and will not be returned to Proposers.

1.16 Disqualification of Proposer

Upon signing this proposal document, a Proposer offering to sell supplies, materials, services,

or equipment to the District certifies that the Proposer has not violated the antitrust laws of this state codified in Section 15.01, et seq, Business & Commerce Code, or the Federal Antitrust Laws, and has not communicated directly or indirectly the offer made to any competitor or any other person engaged in such line of business. Any or all proposals may be rejected if the District believes that collusion exists among the Proposers.

1.17 Contractual Development

The contents of the RFP and the selected proposal will become an integral part of the contract but may be modified by provisions of the contract as negotiated. Therefore, the Proposer must be amenable to inclusion in a contract of any information provided (in writing) either in response to this RFP or subsequently during the selection process.

1.18 Assignment

The selected Proposer may not assign, sell, or otherwise transfer this contract without written permission of the District's Board of Director's.

1.19 Contract Obligation

The District's Board of Director's must award the contract, and the District's Board President or other person authorized by the District's Board of Directors must sign the contract before it becomes binding on the District or the Proposer. Binding agreements shall remain in effect until all products and/or services covered by this proposal have been satisfactorily delivered and accepted.

1.20 Termination

The District reserves the right to terminate the contract for default if the awarded Proposer breached any of the terms therein, including warranties of Proposer, or if the Proposer becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies the District may have in law or equity. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to the District's satisfaction, and/or to meet all other obligations and requirements. Contracts may be terminated without cause upon thirty (30) days' written notice to either party unless otherwise specified.

1.21 Inspections

The District reserves the right to inspect any item(s) or service location(s) for compliance with specifications and requirements and needs of the using. If a proposal cannot furnish a sample of a proposed item, where applicable, for review, or fails to satisfactorily show an ability to perform, the District can reject the Proposer as inadequate.

1.22 Loss, Damage, or Claim

The Proposer shall totally indemnify the District against all claims by its employees, agents, or representatives or personal injury arising from any cause. In addition, the Proposer shall totally indemnify the District against all claims of loss or damage to the Proposer's and the District's property, equipment, and/or supplies.

1.23 Taxes

The Proposer and its sub-proposers, agents and employees, as the case may be, will be responsible for the payment of all federal, state and local taxes, and deposits or contributions imposed or required by law.

1.24 Non-Discrimination

The successful Proposer will be required to comply with the Americans With Disabilities Act and with all provisions of federal, state, county and local (if any) laws and regulations to ensure that no employee or applicant for employment is discriminated against because of race, color, religion, sex, age, handicap or national origin.

1.25 Conflict of Interest

The agreement entered into pursuant to this RFP will contain the Proposer's warranty that, except for bona-fide employees or selling agents maintained by the Proposer for the purpose of securing business, no person or selling agency has been employed or retained to solicit this contract upon an agreement or understanding for commission, percentage or contingency.

Further, the Proposer will warrant that no kickbacks, gratuities, or contingency fees have been paid in connection with this RFP or contract and none has been promised contingent upon the award of contract. Still further Proposer will warrant that to its knowledge and best belief, no one being paid under the agreement between the District and the Proposer, is engaged in any activities which would constitute a conflict of interest with respect to the purposes of said agreement.

1.26 Waiver of Subrogation

Proposer and Proposer's insurance carrier waive any and all rights whatsoever with regard to subrogation against the District as an indirect party to any suit arising out of personal or property damages resulting from the Proposer's performance under this agreement.

Such insurance is to be provided at the sole cost of the Proposer. These requirements do not establish limits of the Proposer's liability.

Regardless of whether the District elects to terminate the Agreement upon the breach hereof, the District may require Consultant to pay to the District the sum of \$1,000 for each breach as liquidated damages. This amount is not intended to be in the nature of a penalty, but is intended to be a reasonable estimate of the amount of damages to the District in the event of a breach hereof by Consultant.
