After written Proposals are received and initially evaluated individually by committee members, then at the discretion and request of any Committee Member, a Committee Meeting may be scheduled for discussion and further evaluation.
- b. Best and Final Offer (BAFO). The District reserves the right to award contract(s), without a BAFO, and/or the District reserves the right to not make an award at all. The Proposer is strongly encouraged to provide its best price in its Proposal because the District makes absolutely no guarantee that there will be any opportunity to negotiate or provide alternative pricing at any point during the RFP process.
- c. Best Value Determination. The final selection for an award will be based on best value, as determined by this section and in accordance with Texas Government Code Section 2254.003. Proposers are encouraged to thoroughly review the processes outlined in this section, as it documents the best value considerations to be made by the District when selecting a Proposer for negotiation and Contract award.
- d. Interviews. After written Proposals are received and initially evaluated, and at the discretion and request of any Evaluation Committee Member, the District may require one or more of the Proposers to provide an oral presentation interview as a supplement to their Proposals. Any Proposer required to interview should be prepared to discuss and substantiate any area of their Proposal. The District is under no obligation to grant interviews to any Proposer receiving a copy of this RFP and/or submitting a written Proposal in response to this RFP.
- e. Evaluation Criteria. Each member of the evaluation committee will determine best value by applying the following criteria and assigned weighted values:

<u>Criteria</u>	<u>Maximum Points</u>
Experience (Past relevant projects)	40
Capacity to Perform	40
Proposed Cost	20
TOTAL	100

- f. Selection. The Evaluation Committee will select the best qualified Proposer. Following this selection, negotiations will begin with the selected firm to arrive at a mutual understanding of the detailed scope of services. Should the selected firm and the District fail to arrive at a mutually acceptable agreement the contract will then be offered to the next highest ranked (qualified) respondent. All Responses must be complete and convey all the information requested to be considered responsive.

10. Submission Requirements

- a. Proposal. Each Proposer shall submit a Proposal demonstrating competence and expertise in the areas detailed throughout this entire solicitation. Proposals shall include a transmittal letter followed by a proposal organized by sections listed in this document. Pay particular attention to Section II, B, (1-8.) Qualifications exceeding the minimum requirements should be included in the corresponding listed sections with a detailed description.

Each Proposer must include a copy of their current certificate of insurance as detailed throughout this solicitation as well as evidence that the policy covers any subcontractors employed by the Proposer unless the subcontractor provides evidence of such independent insurance coverage. The District shall be named as an additional insured party on the certificate. Proposer and Proposer's insurance carriers waive any and all rights whatsoever with regard to subrogation against the District as an indirect party to any suit arising out of personal or property damages resulting from the Proposer's performance under this agreement.
- c. System for Award Management. Proposer must include a certification that the Proposer is not debarred or suspended from the Excluded Parties List System ("EPLS") in the System for Award Management (SAM) (See, Attachment B.) Proposer must include verification that the Proposer, as well as the Proposer's key employees, are not listed (are not debarred) through the SAM as indicated on the website <https://sam.gov/SAM/>. See Chapter 176, TEX. GOV'T CODE. Accordingly, each Proposer (and/or any key employee of Proposer) must complete and attach Form CIQ (See, Attachment D).
- f. Certification Regarding Lobbying. A Certification for Contracts, Grants, Loans, and Cooperative Agreements (See, Attachment E) is included in the RFP and must be included in each Proposer's submittal.

As a result of this law, governmental entities are required to certify that proposers are not on the listing of companies on the website of the Comptroller of the State of Texas which do business with Iran, Sudan, or any Foreign Terrorist Organization. Additionally, Proposer must include a statement on the company letterhead identifying all Proposal section(s) and page(s) that have been marked as confidential. Jefferson County Drainage District No. 6 will protect from public disclosure such portions of a Proposal, unless directed otherwise by legal authority, including existing open records acts. Merely making a blanket claim that the entire Proposal submission is protected from disclosure because it contains some proprietary information is not acceptable and will make the entire Proposal submission subject to release under the Texas Public Information Act.

By submitting a Proposal, the Proposer agrees to reproduction by Jefferson County Drainage District No. 6, without cost or liability, of any copyrighted portions of the Proposal submission or other information submitted by Proposer.
