Addendum No.: **1**

Issued (Date): **September 28, 2026**

TO BIDDER: This Addendum is an integral part of the IFB package under consideration by you as a Bidder in connection with the subject matter herein identified. Jefferson County deems all sealed proposals to have been proffered in recognition and consideration of the entire IFB package – **including all addenda**. For purposes of clarification, **receipt of this present Addendum by a Bidder should be evidenced by returning it (signed) as part of the Bidder's sealed proposal**. If the Proposal has already been received by the Jefferson County Drainage District No 6 Purchasing Department, Bidder should return this addendum in a separate sealed envelope, clearly marked with the IFB Name, IFB Number, and Opening Date and Time, as stated above.

Reason for Issuance of this Addendum: Include additional information.

The following information is included:

- **The District will furnish the Hilti anchors and approved epoxy adhesive required for attachment of the pre-engineered metal building to the foundation. The Contractor awarded the building erection portion of the work shall be responsible for the complete installation of the anchors and epoxy, including drilling, cleaning, setting, and installation in accordance with the building manufacturer's requirements and the epoxy manufacturer's published installation instructions.**
- **The Contractor shall provide all labor, tools, equipment, and incidental materials necessary for the proper installation of the anchors and epoxy. The Contractor shall coordinate the anchor locations and installation requirements with the building manufacturer and verify that the installed anchors are suitable for the building connection prior to erection.**

All addendums will be posted on the DD6 website:
